
Providing Assistance to Investors on Agricultural, Livestock and Industry (Food Production) Sectors [1]

Posted on 06 September 2017

The new Myanmar Investment Law (MIL) was enacted on 18th October, 2016. In accordance with the MIL and Rules, an announcement has been made by Myanmar Investment Commission on the process for investors to prepare and submit investment proposals, starting from the first week of September, 2017.

On 5th September 2017, a team led by the Deputy Director General, U San Myint, including the Director of Investment (1) Division, U Min Zaw Oo, provided the assistance and

information concerning this agricultural, livestock and industry (food production) sectors to three private companies at the Directorate of Investment and Company Administration.
