
Standard Operation Procedures for One Stop Service meeting [1]

Posted on 01 December 2017

A meeting to explain Standard Operating Procedures (SOPs) for the One Stop Services as part of the Enhancement of Investment Promotion and Export Development Project of Japan International Cooperation Agency was held at the Myanmar Investment Commission Office in Yangon on November 29, 2017. The aim of the meeting was to explain SOPs draft and improve information provision services by OSS .

The meeting was attended by 30 representatives from OSS and the Directorate of

Investment and Company Administration.
