## **Group Discussion at the Consultation workshops for Investor's Grievance Mechanism [1]**

Posted on 10 May 2018

---

At the Investor's Grievance Mechanism (IGM) Consultation workshops conducting on 10 May 2018 with the collaboration of the Myanmar Investment Commission and International Finance Cooperation (IFC), the participants from region and state investment committees of upper Myanmar studied the international practices relating to the Investor's Grievance Mechanism.

As the afternoon agenda, group discussion on the case study relating to Investor's

Grievance Mechanism was carried out and the representative from each group presented the grievance mechanism on these cases.
