
‘The meeting with U Aung Naing Oo, Director General and internship students was held’ at DICA head office [1]

Posted on 23 May 2018

One month internship training for the students who are studying Development Studies at Yangon University of Economics and French at the Yangon University of Foreign Languages is holding from 2nd to 31st May 2018 at Directorate of Investment and Company Administration (DICA) in order to understand the work culture, get knowledge and practical work experiences and improve socialization skills. U Aung Naing Oo, Director General,

attended the meeting and delivered a speech to the students for becoming the future leaders by studying continuously not only for them but also for the country. And then, the Director General presented the certificate of appreciation to two students who translated the Myanmar Investment Guide 2018 to French. The meeting was attended by 33 people, including Director General, Directors from DICA head office and internship students.
