
‘The meeting with U Thant Sin Lwin, Acting Director General of DICA and internship students was held’ [1]

Posted on 31 May 2019

One month internship training for the master and final year students who are studying at the Yangon, Meiktila and Monywa University of Economics is being level from 2nd to 31st May 2019 at the Directorate of Investment and Company Administration (DICA) in order to understand the work culture, get knowledge and practical work experiences and improve socialization skills. U Thant Sin Lwin, Acting Director General, attended the meeting and

delivered a speech to the students who will be the future leaders to study continuously not only for themselves but also for the country. The meeting was attended by 25 people, including Acting Director General, Directors from DICA head office and internship students.
