
Workshop on 2017 Operational Planning Held [1]

Posted on 15 December 2016

The workshop on Operational Planning, jointly organized by the Directorate of Investment and Company Administration (DICA) and German International Cooperation Agency (GIZ) was held at Inya Lake Hotel in Yangon on 14th December 2016. It aims to jointly identify the main areas of intervention within our cooperation and to develop an operation plan which forms the basis of our project implementation in 2017. It is also attended by Deputy Director General, Directors, and Deputy Directors from Directorate of Investment and Company Administration.
