

Announcement Regarding Visa Extension Recommendation for Foreigners from Companies Engaging in Educational Service Businesses

1. Ministry of Investment and Foreign Economic Relations, Directorate of Investment and Company Administration had provided support for foreigners and their family members from companies engaged in educational services to extend their visas and obtain recommendation for multiple re-entry visas.
2. Now, the "Private Educational Law" has been enacted. So, companies engaged in educational services among companies which registered on Myanmar Companies Online (MyCO) whether they have Permit/Endorsement from Myanmar Investment Commission or not must comply with Chapter (5), (9) and (10) of the law to employ foreigners.
3. Therefore, it is no longer necessary to apply at <http://movas.dica.gov.mm> and <https://visaonline.dica.gov.mm> for recommendation to obtain business visas and visa extension of foreign employees and their family members who will employ or are serving in educational service companies, but to apply directly to the Ministry of Education. Please be informed that the Ministry of Immigration and Population will continue to act **only if you can submit endorsement from the Ministry of Education.**

Directorate of Investment and Company Administration
