Come And Discover Mandalay's Untapped Opportunities!

Mandalay's high potential is due to its central location in Myanmar and strategic linkages as the Asia regional hub. It is the country's second biggest city. Linking potential investors to local business partners can trigger unprecedented economic developments to the region.

To promote investment in Mandalay more effectively, Myanmar Investment Commission (MIC) and the Japan International Cooperation Agency (JICA) plan to conduct the "Mandalay Investment Opportunity Survey and Investment Fair". The survey is being conducted by Myanmar Marketing Research and Development (MMRD) as the JICA Consultant. The investment fair will be jointly organized by MIC, JICA and Mandalay Region Chamber of Commerce and Industry (MRCCI), with support of JETRO and the Mandalay Regional Government.
