Announcement that investments are being accepted in Chinese Yuan (CNY) in addition to US Dollars (USD)

1. In order to further facilitate investment and effectively address the requirements of investors, the Myanmar Investment Commission (MIC) hereby announces that foreign capital contributions may now be accepted in Chinese Yuan (CNY), in addition to US Dollars (USD), for submitting proposal and endorsement applications.

2. Accordingly, it is hereby announced that if investors bring in foreign capital in US Dollars (USD) for investment, they can perform transfers in US Dollars (USD); and if they invest in Chinese Yuan (CNY), they can perform transfers in Chinese Yuan (CNY). Both types of transaction must be made through Authorized Dealer (AD) licensed banks.
